

Oakford Privacy Notice – Parent Portal

At Oakford, we are committed to delivering an exceptional service to our customers. This commitment extends to ensuring data remains secure and private. The first step in enabling you to make the choice about using one of our products or services is to understand what data we collect, why we collect it, and what we do with it. This Notice includes information about our privacy practices that are specific to Oakford's Parent Portal product. Please take the time to read this Notice and the Oakford Standard Privacy Notice, which both apply to the Parent Portal product.

Who is responsible for the data?

Before we explain the type of data we collected, why we collect it, and what we do with it, it is important you understand the two main data roles that exist and their responsibilities:

- **The Data Controller** determines the purposes and means of processing of personal data.
- **The Data Processor** processes personal data on behalf of a data controller.

Although these two roles sound like characters from the 1982 Sci-fi film, Tron they are in fact, well documented terms in data protection legislation, including but not limited to UK and EU Data Protection Laws.

This privacy Notice covers the Parent Portal product. For this service Oakford is acting as a data processor; any Personally Identifiable Information (PII) we collect is used exclusively for delivering the core service of Parent Portal.

Data uploaded to the Parent Portal platform including PII of school administrators remains under your control - you are the data controller.
